

## *La nuvola Olga - Olga the Cloud*

Olga the cloud cannot help making rain, but every time she tries to do it, someone complains and chases her off. But at the end she meets other clouds and they decide to do it all together without asking anybody for permission!

by Nicoletta Costa, age 3+, 32 pages with full color illustrations

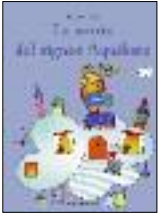

## *L'albero vanitoso - The Vain Tree*

The little tree is very happy: every day a new leaf grows. But the more they grow the more the tree is jealous of his crown and no one can get near it. Birds, cats, butterflies: they are all banned! But then autumn comes and the leaves fall one by one. The little vain tree is sad and alone until a crow explains that in spring the leaves will grow again, even nicer. The little tree promises a big spring party where everybody will be invited!

## *La storia del signor Aquilone - The story of Mister Kite*

Mister Kite lives on a cloud. It is a comfortable cloud all right, but loneliness makes him quite unhappy. One day however an entire family of little birds flies up to him and they have a wonderful time together. Too bad they have to fly back to earth. Mister Kite is very sad again but there is one little bird that has been left behind...

## *Streghe, stregghine e stregatti Witches, Little Witches and Cat Witches*

Generally speaking, ordinary witches have extraordinary talents. Well, Teodora is an extraordinary witch indeed, but her only talent is being generous and clumsy! Luckily, she lives with a lot of friends and helpers. Will they be able to babysit a red-haired toddler princess who seems to be immune from magics?

## *La nuvola Olga e il sole pigrone - Olga the cloud and the lazy sun*

It's perfectly logical to any child to think that it's a cloudy day simply because the sun doesn't want to get up, and has asked the clouds to stand in for him. Nicoletta Costa imagines cloud Olga paying a visit to the sun and finding out about his lazy day: the sun sits around in his pyjamas, and he makes up his mind to comb his unruly rays only at the end of the day, so he can go and make the sunset. He loves making the sunset!

## *Il sogno della nuvola Olga - Olga the Cloud has a dream*

Cloud Olga's days are always busy and full of fun: there's rain to make here and there, sometimes just for teasing, sometimes because it is really necessary. Olga's nights, however, can be even more interesting! Tonight Olga meets a flying horse in her dreams, and together with the moon she rides to a thousand fabulous places, where she finds many of her dearest friends.

## *La festa dell'albero Giovanni - John the Tree's Party*

It is winter and it is cold and John the Tree feels lonely and sad. But when she sees him looking so dejected, his friend decides to prepare lots of pink paper leaves to adorn his branches and make him happy. Then the stars get some green snowflakes, little birds bring lit candles and the moon hangs a wonderful swing on his branch. John is as beautiful as a Christmas tree. Now he can wait happily for spring to come.

## *Passamare*

A little sparrow decides to set off over the seas to reach a new land. He makes friends and enemies, he suffers from the cold, feels hunger, and risks his life, but, despite everything, he continues to fly. The sparrow is like a little boy: he has no experience of the world surrounding him, and discovers the stages of his adventure step by step.

A short, intense, poetic story about a journey.

by P. Comentale and N. Costa, age 4+, 40 pages with full color illustrations

## *Filippo il pesciolino - Philip the Fish*

So many adventures for Filippo the little fish! His mummy and daddy always give him lots of advice: "Don't go too far away! The sea is so big and you're so tiny!"

But there are so many things to discover: colourful seaweed, starfish, spiteful sea-horses and lots of friends to play hide and seek with between the rocks. Filippo wants to have fun but he has to be careful not to get into any trouble...

# C'ERA UNA FIABA...

Classical and folktales retold by Roberto Piumini with a modern yet simple language. The illustrations, made by the best Italian contemporary artists, are the strength of this series. **The illustrations explain the text but at the same time they build up their own path** and encourage the process of understanding of pre-school children.
